To: Our Valued Customers

From: Joe Montesano

Subject: Change in Nut-Free Status

Since the start of our business in 1994, we have always been a “nut-free” facility. Due to recent changes in the FDA guidelines of “tree nuts” we no longer qualify as “nut-free”. A number of our products are made with coconut and this is now considered a tree nut.

As a result of this change, we will be adding a tree nut and peanut allergen disclaimer to all of our labels and brochures. This change will take effect August 1, 2010. We will continue to follow rigid wash down procedures to protect against cross contamination.

Please feel free to contact us or our broker representatives if you have any questions.

Thank you for your business.
